

The IUMRS International Conference in Asia 2008

Certificate of Award for Encouragement of
Research in Materials Science

This is to certificate that

Yoichi KAMIHARA
Tokyo Institute of Technology

has presented an outstanding work (Young Scientist)
with title

*Coexistence of Magnetic Order and Superconductivity
in a Layered Superconductor SmFePnO ($\text{Pn} = \text{P}, \text{As}$)*

December 13, 2008

N. Kishimoto

Naoki Kishimoto
President of The
Materials Research
Society of Japan
(MRS-J)

Osamu Takai

Osamu Takai
Chairperson of The
IUMRS International
Conference in Asia 2008
(IUMRS-ICA 2008)
